SCHOLARSHIP INFO

Effective 10/01/2007

Dear Applicant:

Thank you for registering your child with CYC. The CYC strives to provide opportunity to all youth, regardless of background. There are no financial barriers to joining CYC; however there is a standard set of requirements for scholarship approval, whether partial or full.

You may apply for either full scholarships (no fees for monthly dues) or partial scholarships should you only require some financial assistance. Scholarships may also be requested for additional activities like summer camps, uniform costs, special events, and competitive travel. Receiving scholarship assistance for one activity or cost does not automatically approve you for other activities. Please be specific when requesting a scholarship as to what needs you have. Please indicate the amount you can afford in the appropriate section if requesting a partial scholarship.

Please fill out the attached questionnaire completely. Be sure to include a date and signature wherever necessary. The scholarship committee meets weekly to review scholarships. Scholarships may be awarded for any amount of time, typically for one year. However, based on the application and decision of the committee, scholarships may be awarded for periods of time. All scholarships will be reviewed at the beginning of each year in January. You may be asked to provide a new application with updated information at this time.

Please keep this letter for your information and records. Return the scholarship application and proof of income such as tax return or pay stub in the envelope provided. Or, if you did not receive an envelope, please put your information in an envelope and label it as follows:

CONFIDENTIAL
Scholarships
Attn: Nick Schweickert

Turn the envelope into a CYC Customer Service Staff or other Administrative Staff only. All your information will be kept confidential. Please provide copies of your proof of income only, do not provide an original.

Sincerely,

Nick Schweickert
